## About This Game

### READY FOR CRAFTING VIRTUAL WORLDS ON YOUR PC?

The acclaimed world-building game featuring a unique mission-based approach is coming onto PC via Steam Early Access.  
**ONLY ON PC: Make 4X BIGGER worlds** - You have 4x times more space to craft whatever you like in the CREATE mode!  
Plus all elements are immediately accessible, there are no limitations to your imagination!

With **over 16 million players on mobile & tablets** versions and **1,500,000 pixel blocks creations shared in the Online Gallery** to date, this PC version is taking **world crafting simulation to the next level!**

## CRAFT, PLAY AND SHARE!

The Sandbox is a unique world building & crafting game featuring over 200+ physics elements presented in 2D pixel blocks that can interact with each others. Players can craft amazing worlds, create pixel art, chain reactions, chiptune music, advanced contraptions, electric circuits or just play with physics.

Play with basic elements ranging from simple water, stone, sand, wood, glass, lava, fire, to more complex: electricity, metal, virus, antivirus, heater, cooler, lasers, pipes, gems, sensors, leds TNT, C4, crosswire, conveyor belt, music instruments etc.

That's not all, The Sandbox features also a wide range of casual elements, just for fun! Fish, bees, lion, flamingo, humans, zombies, robots, aliens, dinosaurs, monuments, tanks, cars, trucks!

## Steam Exclusive Features

---

The Steam PC version of The Sandbox is a **Premium adaptation** of Pixowl's famous HIT! **No microtransactions**, All Elements are unlocked and immediately accessible, as well as 15 original campaigns to explore: Initial Story, Dinosaurs, Pixel Art, Music, User-Created 1 & 2, Lasers and pipes, Contraptions, Humans, Zombies, Robots, Alien Invasion, Retro Gaming, Ninja and last but not least, the Ecology / Natural Disasters!

A few thrilling features, exclusively on the PC version:

- **Make 4X BIGGER worlds** - You have 4x times more space to craft whatever you like in the CREATE mode!
- All elements are immediately accessible, there are no limitations to your imagination!
- **Ultra-precise controls** with mouse, trackpad or touch support (for touch-screen only)
- Several keyboard shortcuts to create worlds faster!
- Windowed display or fullscreen mode
- **Cloud saving of your progression online** and syncing across multiple PCs via with Steam Cloud
- **Cross-platform compatibility** of your worlds: create on PC, view on Mobile or vice-versa

## Game Features

- Over 200 elements you can combine for different physical effects
- A classic/retro 8-bit interface
- Easy to understand tutorials get you started building worlds
- 15 Individual Campaigns: Initial Story, Dinosaurs, Pixel Art, Music, User-Created 1 & 2, Lasers and pipes, Contraptions, Humans, Zombies, Robots, Alien Invasion, Retro Gaming, Ninja and last but not least, the Ecology / Natural Disasters!
- 250 puzzle Levels in total -- dozens of hours of mind challenging content for your brain!
- Compose your own chiptune melodies you can play in-game. You may choose the following instruments: Note, Guitar, Bass, Trumpet and Drums
- Add advanced elements to your worlds:
  - Vehicles -- Cars, tanks and trucks are all available for your use within your world!
  - Contraptions -- LEDs, conveyor belts, lasers, pipes and multiple sensors are all available to bring your world into the age of technology!
  - Bring life to your worlds: Add humans and use Magic Job Powders to turn them into miners, builders, hunters, woodcutters or... ZOMBIES!
  - Zombies -- Turn your mild-mannered human into a brain eating beast that wreaks havoc on your world!
  - Robots -- Have robots taken over your world? You better obey your metal masters, puny human animals!
  - Ninja & Avatar -- Play with the controllable elements: Ninja, Avatar, Snake... and create your video game levels!

- 
- Add dinosaurs and protect them from extinction (or, recreate the BIG BANG and wipe them from the face of the Earth - the choice is yours!)
  - Add animals, fish and fireflies to your worlds and watch as their behavior creates “natural drama” that rivals any reality TV show!
  - Use our decorations and add awesome real-life wonders to your landscapes: The Eiffel Tower, a crashed UFO, the pyramids, futuristic buildings and a giant robot are all available at your fingertips!
  - Use TNT or C4 to wreak havoc with powerful explosions or light up your sky with meteors and fireworks

[/list]

## **Share your creations with the world**

Share your favorite universe in The Sandbox’s Online Gallery (<http://www.thesandboxgame.com/worlds>)

Search the gallery to see the creations of other players (1,000,000 worlds and climbing!)

Rate other players’ worlds and add in your own elements to give them a surprise effect

The game crushes and it says "you have changed game data" and then it shuts down.. someone knows how to fix this :/?. Weird Quizshow. Works well.. This is an oddly addictive title. I didn't really get into the first, but this one grabs you from the start. It's very much a "just one more turn" game. It can be incredibly frustrating, but because of that doing well is incredibly rewarding. Also, the graphics are absolutely gorgeous.

Really fairly priced and makes it definitely worth it. It already feels very polished for an early access game.. Great game with a simple concept, I played this years ago and just loved the gameplay then, and I still love the gameplay now. It's easy to just pass the time or to tell yourself that you'll stop when you finish a level, nope, it's a game that'll keep you on your feet. 4 out of 5 stars! When you get the hang of it, it's really entertaining. Don't expect to be held by the hand though, the translation from russian is rough, but that's part of the humor for me.

Suggestions for improvement:

- Improve the tutorial, some key aspects of the game are missing there, such as hiring/upgrading staff and crew.
- More locations
- More choices for upgrades, such as the office, marketing, staff
- More actresses and actors in general
- . "The the most innovative shooter in years"

Would spill my brains again.. Mind \u2665\u2665\u2665\u2665.. Fun mega man\castlevania type game with some excellent sotn type music! Controls took me a little bit to get used to but now everything flows really well. Highly recommend

---

Uplink, but simplified and boring. That's all you need to know about this.

The long version? It's a copy of uplink, with much simpler mechanics in terms of what you do.

I got bored rather quickly, as things consist of "Find this thing that you can hack, then QTE tap buttons to get passwords to hack into it"

It's not a bad game per say, just very simple. After Uplink, I wouldn't recommend this.. I have to agree the bad reviews might have been written too fast. The game is a very good basketball management game. It's a finished product and is updated frequently by the Devs. The Devs are also very active on the main game forum, taking suggestions and helping people out with issues - nice to see!

The price is great for what you get, and the option to buy the US only version which excludes all leagues minus the NBA + NCAA is GREAT! This means if you only want to play NBA buy the US Edition for half the price.

The game has a lot of potential. Yes some of the UI needs fixing as finding some options takes a few clicks but it's all being noted down on their forum following player feedback.

If you are looking for a good and very in depth basketball sim then don't be worried to purchase this game.. INSANELY fun. In my opinion, this game deserves a better fanbase. A nice deathmatch like gamemode would be frickn' sweet too. :D

8.6/10. "Rusty Lake: Roots" is a delightfully twisted addition to the Cube Escape/Rusty Lake series. Featuring a variety of puzzles of a range of difficulties (including a set of puzzles to solve after the initial game is completed), this game follows the lives of the Vanderboom family, through courtships, births, rivalries, and death. Incredibly creepy and not for the extremely squeamish. (I will never look at voodoo dolls the same way again... ditto for "test tube babies.")

If you're already a fan of the series, you'll appreciate the various nods to previous installments; if you've never played any of the games in the series, you won't miss out on much (and may even be interested in trying out the free previous installments). Either way, this game is worth the low price and is sure to keep you entertained!. Good game but noone plays online.
